

Welcome, Kim Jefvert!

Nurse Practitioner serving TSC/LSC

I am a Nurse Practitioner who believes all individuals are unique and deserving of the best care I can give. I live in rural Benton County on a farm. I have been married 34 years and have two adult children. In my limited free time, I enjoy reading, swimming, walking, gardening, needlepoint, and joining various causes.

I serve
patients with
respect and
compassion.

When you were a kid, what did you want to be when you grew up?

Science or music. I was accepted at Julliard, but science won!

If you were an Olympic athlete, what sport would you be competing in?

Swimming.

What is your favorite place in the world?

The Smokey Mountains. I've been there often and hike.

What would you say is your proudest moment?

Watching my children grow to be incredibly talented and responsible adults.
